Changes to the Governing Body

Due to illness Mrs Flouri has resigned as Chair of the Governing Body. I would like to thank her for all her hard work as Chair and wish her all the best for her recovery.

Mr Chris Dale and Mr Nick Hall have been appointed as joint Chair. All school governing bodies are having to go through a reconstitution process this year. I will write you in the near future regarding the changes that will be taking place in our school Governing Body.

BBC Ten Pieces Music Concert

Conducted by Xenophon Kelsey MBE

Performances at 4.30 and at 6.30

The superb St Cecilia Orchestra will be joined by Vocalist, the St Paulinus singers, and hundreds of local school children in a celebration of classical music.

Outdoor Apparatus

We have had our apparatus inspected by the Local Authority inspectors. The apparatus in the KS1 yard is safe and can now be used again. The stepping poles on the field are rotten and therefore the children will not be allowed on this piece of apparatus until they have been replaced.

Warmer Weather

Can I remind you, now that we have had the recent sunny weather, please send children with **named** sun hats and apply sun cream **before** they come to school. It is important that they drink plenty of water and water bottles for use in school can be purchased from the school office at the cost of 20p each.

Medicine in School

We have had a couple of incidents where children have brought various types of medication in to school, without knowledge of staff. Please can we remind you, that any medication, of any sort, must be named and given to the class teacher at the start of the day. This is to ensure safeguarding all the children in school.

If your child has been prescribed medicine that must be administered by office staff, please download a form and complete this before bringing the medication to school, thank you.
