East Barnby

Well done to all the Y4 children who spent last week on a residential visit at the East Barnby Outdoor Education Centre. They took part in canoeing, rock pooling, shelter building, skiing and climbing. Great fun was had by them all.

Tennis Team

Well done to the Year 4 tennis team- Blake, Hayden, Rosie and Olivia who won a place in the area finals, which will be held in the 1st week of June.

Maths in School

In light of changes to the National Curriculum for Maths we have adjusted the way we teach certain calculations and when we introduce the children to formal calculations. Our new policy, and a description of how we teach maths in different year groups can be found under School Policies in the Parent Information part of our school website. If you have any questions please don't hesitate to speak to your child's teacher.

Election 2015

To help support the children in their understanding of democracy and election each class held their own mini elections last week. We were very impressed with how the children approached the issues they felt were important. Well done to those people who won the most votes in their class.

Improvement works

Whenever we survey children there is a request for more opportunities to cook in school. The new curriculum also supports more cooking opportunities. Therefore during half term we are having a children's sized kitchen built in the Learning Zone to make it easier for groups of children to cook. A big thank you to Friends Of School who have provided half the cost of this project.

Open Door Policy

As you are aware, we adopt an 'open door policy' whereby you do not have to wait until parent's consultation evenings to speak with your child's teacher if you have any concerns or you need advice/help. We actively encourage you to speak with your child's class teacher directly if you need to. However, please ensure that you use the end of the school day to do this, if possible, or if there is just a short message to pass on, at the start of the school day before lessons start. This will ensure that classes are not disturbed during lessons. Our office staff will always be happy to pass messages to teachers on your behalf.

Bethany's Guide trip to Switzerland in 2016

Bethany Hawken-Reed is raising money to help fund her guide trip to Switzerland as her challenge from the guides. She is selling quiz sheets for £1 each. The quiz sheets can be obtained from Mrs Hudson's office. Bethany will also be collecting old foreign coins that you don't need, which can also be left at the school office.

Sainsbury's Vouchers

Just a reminder that the Sainsbury's voucher scheme has now ended. If you, or anyone you know have any vouchers at home, please send them in to school as soon as possible, thank you.
