New kitchen

Once this has been received, classes will be able to use it. If any of you are willing to help with cooking activities please talk to your child's class teacher.

Mathletics Success

It is great to see so many children enjoying using the Mathletics software to improve their maths skills. A special well done to Jack Hickman who has reached second place in the country on the Mathletics Hall of Fame.

Sporting Competitions

Well done to our Y4 Tennis team, Hayden Murray, Blake Stout, Rosie Horner and Olivia Wilson, who took part in the final with enthusiasm and determination. They represented the school extremely well.

Also well done to our Y5/6 and Y1/2 QuadKids Athletics teams who took part in the final of the Area Competition and came third overall. We have many very talented sporting children.

Please note all after school clubs have restarted this week and will all finish on the week beginning 29th June. Tennis club evening has been changed to Wednesday night for the rest of the half term.

Swimming Kits

Over a period of time we have lent out spare kits to children on occasion when they have forgotten swimming kits. Unfortunately, over time, some of these have not been returned, or are now getting very worn. If anyone has any spare swimming costumes or swimming trunks that are too small for your children, that are in good condition, that you would be happy to donate, please send them in to school, thank you.
