Sponsored Drumming

Well done to all the children who took part in the sponsored drumming event last week. All the children drummed amazingly well and the results of the 3 minute rhythm competition was high. Reception class did 47 rhythms per 3 minutes, Class 1—47, Class 2— 48, Class 3—54, Class 4—52, Class 5— 53, Class 6— 47

Our visitors were very impressed with the standard of drumming and with the amounts raised by those who have already brought in donations. Please would you send donations into school by Wednesday 8th June at the very latest, thank you.

If you have any old mobile phones you have finished with, Osmond can sell them in Ghana to bring further support for the Project. If you would be willing to donate a phone, please send them to school before July 15th and I will send them to Ghana.

Building Works

As you will have seen the building firm have started erecting the fences in the KS2 playground so the building works can start at half term. From Tuesday 7th June, when children are arriving at school between 8.45 am and 8.55 am, use the double gates at the end of the layby to enter school. KS1 children using the drop off service will continue to drop their children at the path to the main entrance, where staff will collect them. Between 3.15pm and 3.30pm, parents collecting their children from the KS2 yard will also need to enter through the double gates. Entrance at all other times will be through the main entrance. Reception, Y1 and Y2 yard will operate as normal.
