19th December

Carol Service in church

School Closes at 2.30

6th January

School opens

Last week I took 13 children to the second round of the cross country competition at Knayton. This was a competition against all those children who had got through the first round and so it was much tougher. The course also contained an uphill climb and was very slippery. The children all ran fantastically and a special well done to Sadie Bendelow and Cal-lum Bleanch who got through to the County Finals in March.

Fantastic Fundraising!

Well done to all those children who worked very hard to fundraise for two very good causes. Many children thought of inventive ways of doing this. There were many sponsored silences and three girls, Lily Trayhern, Josie Hargrave and Rosie Leach raised £30 doing a tombola which they organised themselves. Together, all the children raised a very impressive total of £525.04 for Lepra, and the Lepra representatives wanted to say a huge thank you to everyone for supporting their charity this year.

Thank you also to those creative parents who sent their children to school in some amazing super hero costumes in aid of Children in Need. The school was a very colourful place last Friday. A total of £137.95 was raised for this worthy cause.

Morrison's Lets Grow Vouchers

Thank you very much to everyone who has sent in Morrison's Lets Grow Vouchers. This scheme is due to end, therefore please bring in any vouchers you may have at home to allow us to place our order at the end of November.

Car Parking

Please can I remind you that the bungalow next to school is a private residence and under no circumstances should anyone park in the "keep clear" section of the layby in front of this property. Please may I also remind you not to park in the staff car park or to let children walk across it at any time, thank you.

After School Clubs

We have been experiencing issues with children not turning up to after school clubs. It is our policy to phone home if children do not turn up, and on occasion, we are having difficulty contacting parents and this is causing concerns about the welfare of children. Please inform the teacher leading the club if your child is unable to attend a club for any reason so that we can ensure all children get home safely, thank you. Please note the last week for teacher led clubs will be the week commencing 1st December, although gymnastics will continue on 4th and 11th December.
