### Sporting Success

Well done to our Y5/6 Kwik Cricket team and Y3/4 Quad kids athletics team who won through to the County Finals at the Youth Games last week. It was fantastic to have two teams from Carlton Miniott representing all the schools in Hambleton. Both teams performed very well and we are very proud of them all.

### Musical Evening

I would like to say a big well done to all those who took part in the musical evening last week. It was lovely to see such a range of instruments being played. If you would like your child to learn an instrument then complete the letter that was sent out this week or, if it is brass or woodwind lessons you require, visit the County Music website at [www.northyorkshireremusicclub.co.uk](http://www.northyorkshireremusicclub.co.uk) for more information.

### PE Week/Sports Day

This is week commencing 17th July. Please make sure your children have their PE Kit and a water bottle in school all week. Sports Day will commence at 1.30pm on 18th July followed by our Sports Presentation, we hope you can join us.

### Parking

Can I remind you that we have a drop off zone in the layby outside school on a morning. The layby is for drop off only and anyone parking in there or stopping for a period of time could get a parking fine. Could I also ask that you leave enough space for the school bus to pull in to drop off children. This layby does not belong to school and is controlled by NYCC Highways Department.

### Questionnaire

Please find below the results of the parent questionnaire. Following your comments on the quality of books in KS1 the School Governors have allocated further funds and £1600 has been spent on new books which should be in school for the start of term. FOS have also donated £100 per class for class libraries.
