Yr3/Yr4 trip to the Railway Museum

Last week the Y3/4 children met at Thirsk Station to catch the train to York, and then walked on to the Railway Museum. This trip was planned to enhance the classroom learning experiences around our topic 'Incredible Inventions'. The children had the opportunity to see, and learn about, Major Tim Peak's space capsule and discover how transport has changed through time.

Quicksticks Hockey

Well done to our Quicksticks Hockey team, Daniel, Harry, Will, Summer, Lily & Connor who came back with silver medals from the latest competition. They battled the weather to play in the Area Competition and sadly didn't make the final, but huge congratulations to all.

Staffing

We sadly have had to say goodbye to three members of staff who are leaving school. Mrs Campbell has decided not to return following the birth of her son. Mrs Clyne will be staying in as Class 1 teacher until the end of the Summer Term. Mrs Sheppard, our Art Teacher has moved onto a job with more hours. We are currently recruiting for a KS1 teacher and an HLTA with an art specialism. Mrs Wright will also be finishing her work in Class 1 at Easter, Mrs Nutall will take Class 1 on a Thursday afternoon. We thank all these staff for the work they have done at our school.

Easter Competition

This year's Easter competition will be held on Tuesday 27th March. This year the project is Easter Cards. There will be prizes for two children in each class. Please bring the cards in on the day of the competition only. They will be on display during parents evening for you to look at.

This would be a good place to insert a short paragraph about your organization. It might include the purpose of the organization, its mission, founding date, and a brief history. You could also include a brief list of the types of products, services, or programs your organization offers, the geographic area covered (for example, western U.S. or European markets), and a profile of the types of customers or members served.

It would also be useful to include a contact name for readers who want more information about the organization.

Back Page Story Headline

This story can fit 175-225 words.

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

A question and answer session is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition or you can summarize some generic questions that are frequently asked about your organization.

A listing of names and titles of managers in your organization is a good way to give your newsletter a personal touch. If

your organization is small, you may want to list the names of all employees.

If you have any prices of standard products or services, you can include a listing of those here. You may want to refer your readers to any other forms of

communication that you've created for your organization.

You can also use this space to remind readers to mark their calendars for a regular event, such as a breakfast meeting for vendors every third Tuesday of the month, or a biannual charity auction.

If space is available, this is a good place to insert a clip art image or some other graphic.
