Recent events in school

Royal Wedding

Last Friday we held a Royal Wedding party in school at lunchtime. The weather was lovely and the children sat outside to eat a picnic lunch, finishing it off with a special Royal Wedding bun.

The Reception class have been preparing for their own wedding this week which they held in church on Wednesday, led by the Rector of St Mary's and attended by The Learning Tree Nursery and parents. This was followed by a wedding party in the school hall.

Author in school

On Monday we had Jane Clack, a local author, in school. She led an assembly for the whole school followed by a workshop for Classes 1 and 2. She then signed books for anyone who had purchased them.

Y3/4 at Beningbrough Hall

On Tuesday Y3 and Y4 went on a visit to Beningbrough Hall as part of their science project. They took part in seed potting, tree discovery, exploring the gardens and learnt about the history of the Hall and how it has changed.

Y5 Big Dig

On Wednesday the Y5 children went to Thornton-le-Street to join an 'Archaeology in the Community Project'. They were given test pits in the churchyard to dig and they had to wash and study the artefacts they found. They discovered Medieval pottery, animal bones and flint as well as learning a lot about the archaeology process.

Science Enrichment Week

As part of a Science Enrichment week, we have had a mystery to solve in school. The children have been finding clues and putting their evidence together to find the culprit, who was finally apprehended in this afternoon's assembly!

Sporting Success

Well done to our Y5/6 Tennis team Sophie, Daniel, Jack and Lily who won through to the area competition which will be held on Friday.

Olympic Athlete Visit

On Tuesday, 12th June we will be having a visit to school by Olympic athlete Jenny Meadows who will be inspiring the children and telling them what it is like to compete in the Olympic Games

Apology

I would like to apologise for the confusion caused by the cancelling of the afterschool clubs at short notice on Monday due to staff training. Unfortunately our systems did not work as they should and so we have reviewed what went wrong and have put in measures to ensure communication is better in the future. Again I apologise for any upset this caused.
