Visit of Jenny Meadows

Last week Jenny Meadows, the Olympic Athlete, spent an afternoon in our school. She spoke to the whole school about how she became an Olympic Athlete, the highs and the lows of getting there, and how she was determined to achieve the goal she had set herself—which was being an athlete in the Olympic Games. She then led a running workshop for the older children, in racing them down the track which they all enjoyed.

Staffing

Sadly Mrs Nuttall will be leaving us at the end of this week to start her big adventure in America. We thank her for all her hard work in Class R and wish her all the best. We have employed Mrs Bottomley to replace her. She will start in September. Mrs Clyne will also be leaving us at the end of this term and Miss Rawding has been employed to teach Class 1 next year. She has already spent time with the children in Class R and so the children have got to know her.

Y5/6 Production

Y6 are performing the Yorkshire version of Grease, called 'Lard', this year for their production, written by Mrs Amesbury. Y5/6 parents should have received a letter about tickets. Please can I remind you that we have to adhere to strict fire rules and so any school age children must have a ticket.
