Comprehension books for KS2	£300	This has led to an improvement in the ability of children to understand and interpret texts right across KS2. The outcome of this will be seen in reading in future years.
Tablet computers to support small group interventions	£3500	These have been purchased and will impact on children in the coming year.

Impact on Pupil Progress

All Reception children receiving Pupil Premium achieved a Good Level of Development at the end of their first year in school.

In reading 31 of the Pupil Premium children achieved their target level or above with all but four of those who were below the national expectations closing the gap between their result and the national.

In writing 35 of the Pupil Premium children achieved their target level or above with all but six of those who were below the national expectations closing the gap between their result and the national.

In maths 31 of the Pupil Premium children achieved their target level or above with all but two of those who were below the national expectations closing the gap between their results and the national.

The Head Teacher, Senior Leadership, all teaching staff and the Home-School Link worker maintain an on- going programme of support for Pupil Premium pupils, which is subject to the oversight of the Governors' Finance and School Development Committees.
