

Carlton Miniott Community Primary School

Internet Rules

- I follow the instructions of my parents or the adult I am working with when using the internet.

- I only log in to the internet using my own username and password

- I check with my parents or the adult I am working with before using a website. In school I will only use the internet for school work.

- I turn the monitor off if I see anything on the internet that upsets me and then I tell an adult.

- Using computers is fun and I understand that I must follow the rules when using the internet at home and school
