Club performing at Leeds  
Town Hall

#### Friday 27th March

Wizard of Oz Theatre Production

School will close at 3.30  
for Easter due to a  
Theatre Event

#### Tuesday 14th April

School Reopens

### Author in School

Last week an author, Miles Salter, came and spent the day in school. He led two writing workshops for KS2 children and let story telling workshops for Reception and KS1 children. We would like to thank Friends of School for paying for this event.

### Quicksticks Hockey

Well done to our Y3/4 Quicksticks Hockey team. Bailey, Callum, Millie, Olivia and Max have won and are through to the final round of the competition.

### Dropping Off Zone

Can I remind you that we provide a dropping off zone in the layby outside school on a morning where cars pull in and let their children out. F/KS1 children will be met by Mrs Baker and taken into school. Cars must not be left parked in the layby at this time as it prevents other parents/carers dropping their children off, and this prevents the buses from parking safely.

### Easter Competition

As we are having a visit to the Zoo our Easter Competition this year will have an animal theme. Children can use hard boiled eggs to design an animal or an animal scene. Please bring these to school on Tuesday 24th March, where they will be judged by one of our school governors.

### Parent Consultation Evenings

Teachers will be sending out slips with times on for parent consultations in the next week. If you do not receive an appointment, please contact your child's teacher.

### Appointments

There are an increasing number of children missing school for regular dental check ups. We would be very grateful if you would try to make appointments after school, wherever possible, so that the children do not miss their lessons.

### Wooden Apparatus in Playgrounds—Important Information

Due to an incident in a playground in another school involving wooden apparatus, the Local Authority have instructed that all wooden apparatus, over two years old, must not be used until checks have been made. Therefore would you please make sure your children do not go on any of the apparatus until further notice. Thank you.

### Gardening Club

Thanks to the generosity of the Friends of School, the Gardening Club have purchased some new planters to go around school. They will be building them and planting them up over the next few weeks to improve our school environment.

### **Music Lessons**

Thank you to those of you who have signed up to our new music lessons next term. You should have now received a letter detailing the costs and these can be paid on Parentpay. The music teacher will be coming in on 23rd March to meet the children and to talk to them about the lessons.

### **Lost Property**

There are a number of lost property bins situated around school in class cloakrooms. The bins are periodically checked for named items, however all unnamed items will be placed in the Salvation Army clothing bank at the end of term. If your child is missing any items of clothing, please encourage them to have a look in the lost property bins before these items are removed.

### **New Staff**

We welcome Mrs Ord to our school, who has replaced Mrs Eyles after her retirement, as our new cleaner.
